

Thomas Weschler becomes Managing Director of WILHELM HERRMANN Versicherungsmakler GmbH

Ettlingen, 01/01/2020

Effective January 1, 2020, Thomas Weschler (33) was appointed Managing Director of WILHELM HERRMANN Versicherungsmakler GmbH. Since the beginning of last year, he has worked alongside Richard Minet as a member of the executive management and will now, under changed responsibility, manage the company together with him.

Weschler completed his dual studies in business insurance (B.A.) at what was then ASSEKURANZ HERRMANN, a traditional brokerage house in the Ettlingen region, which has since become part of the ARTUS GROUP and operates as WILHELM HERRMANN Versicherungsmakler GmbH. He then gained sales experience and, as assistant to the spokesman for the management, gained insight into the operational and organizational processes of the company right from the start. In other positions as an industrial customer advisor and head of the analysis team, Weschler gained extensive experience in the insurance sectors, in customer care and acquisition. "Thomas Weschler knows the company very well and has had a significant impact on the strategy in recent years. We are very happy to be able to expand the management team with young talent from within our own ranks," commented Richard Minet, himself a long-time Managing Director within the ARTUS GROUP, who will continue to manage WILHELM HERRMANN Versicherungsmakler GmbH together with Thomas Weschler.
