

Bernard Maidment and Wolfgang Hägler enhance the executive management of AKO Versicherungsmakler GmbH & Co. KG in Munich

Munich, 01/01/2020

From the beginning of the year, the management of AKO Versicherungsmakler GmbH & Co. KG has been strengthened through the addition of Bernard Maidment (47), who was appointed Managing Director alongside Wolf-Rüdiger Schmidt (49). From 2007 to 2015, Maidment worked as the head of company pension schemes for AKO. After four-years as an authorized officer at the insurance and Sbusiness service FIDESSecur, the fully qualified lawyer is now returning to the ARTUS GROUP. Maidment will make use of his legal expertise in the new position as Managing Director.

Wolf-Rüdiger Schmidt, Managing Director at AKO since 2013, brings his more than 30 years of expertise as an industrial insurance broker as well as his experience in looking after major customers and handling major claims. As with most ARTUS companies, executive management will once again take the form of a team in order to provide the best possible resources for customers, employees and external partners.

As a member of the executive management, Wolfgang Hägler (49) joined the AKO management team in January 2020. The insurance specialist, who has a strong focus on customer care and acquisition, was active in the field of insurance and has extensive experience with well-known brokers such as Marsh and AON. Hägler, like Bernard Maidment, changes from FIDESSecur to the ARTUS GROUP and will be responsible for the Composites division.
